# Exceptional comfort from a premier brand

From design to product testing, Luxaire® products are built with time-tested craftsmanship. Since 1939, we've been setting the standard in innovation for heating and cooling systems. We're confident our Acclimate™ Series air conditioners will provide the consistent comfort, exceptional energy savings, and lasting performance you've come to expect from the Luxaire® name.

## Uncompromising features: Luxaire® Acclimate™ Series AL19 Air Conditioners

### Efficient comfort

- **Communicating capable** with our Wi-Fi®-enabled Acclimate™ Hx™3 4.3-inch touchscreen thermostat for complete system control.
- **Two-stage compressor** provides superior temperature and humidity control.
- **Zoning system** capable for optimal home comfort in every room.

### System flexibility

- **Multiple control options** give you the flexibility to use either a conventional thermostat or our Wi-Fi®-enabled Acclimate™ Hx™3 4.3-inch touchscreen thermostat for communicating capability.
- **Zoning flexibility** means it can be deployed with conventional zoning or the Hx™3 communicating zoning system.
- **Dual-fuel capability** means you can pair the pump with a residential gas furnace for a hybrid comfort system that optimizes heating capacity and/or efficiency.

### Trusted quality

- **Unmatched warranties** include a 1-year Limited Labor Warranty and Lifetime Compressor and 10-year Parts Limited warranties on registered outdoor units.
- **ENERGY STAR®** certified performance means greater energy efficiency.

# Whole home comfort

Our new Hx™3 Communicating Zoning System is the ideal solution for the smart, sophisticated home. It's designed to simplify life, enhance energy efficiency, and deliver convenient comfort and control when paired with any of our 19 SEER Two-Stage Air Conditioners or Heat Pumps. Hx™3 Communicating Zoning System delivers convenient comfort control with up to eight zones of custom comfort, flexible damper timing, no bypass dampers, and remote monitoring for easy setup and maintenance.
