# INDOOR COILS

## RCQD-SUPER HIGH EFFICIENCY INDOOR COILS

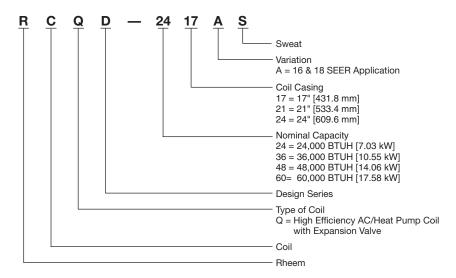

#### AIRFLOW CAPACITIES 450-1700 CFM [212-802 L/s]

Rheem Prestige Series® Indoor Coils are designed for use with Rheem outdoor units and are available for vertical upflow, horizontal left or horizontal right airflow. When matched with Rheem outdoor units, the coils provide a capacity range from 24,000 BTU/HR [7.04 kW] to 60,000 BTU/HR [17.6 kW].

- Constructed of aluminum fins bonded to intergrooved copper tubing.
- Coils are tested at the factory with an extensive refrigerant leak check for improved quality control.
- Coils have sweat fitting refrigerant connections.
- Ideally suited for new installations or add on air conditioning.
- Condensate drain connections are <sup>3</sup>/<sub>4</sub>" [19.1 mm] N.P.T. for ease of connection.
- Coils are A.R.I. certified for system application with variety of Rheem outdoor units.
- Condensate drain pan is constructed of high grade, heat resistant, corrosion free thermal-setting material.
- Compatible with Germicidal Light System

#### **Accessories**

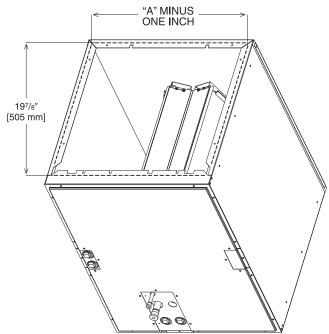

## PLENUM ADAPTER ACCESSORY RXBA-AC

This plenum adapter accessory is for installation on cased indoor cooling and heat pump coils. This allows a nominal size cased coil to be installed on the next smaller size gas or oil furnace. NOTE: This accessory is for installation on coil casings to fit gas or oil furnaces only – this accessory must not be used on electric furnaces or heat pump air handlers. Consult the installation instructions packaged with the accessory for proper installation. The RXBA-AC (upflow) can be ordered factory installed by designation as "with adapters" in the coil model number.

## PLENUM ADAPTER ACCESSORY RXBA-AE

This plenum adapter accessory is for use with the 241/2" wide cased indoor cooling and heat pump coils. This allows a 241/2" wide cased coil to be installed on a 28" wide oil furnace. This is a field installed accessory only.

## PLENUM WIDTH

Before proceeding with installation, refer to installation instructions packaged with each model, as well as complying with all Federal, State, Provincial, and Local codes, regulations, and practices. Rheem Heating, Cooling and Water Heating

P.O. Box 17010, Fort Smith, AR 72917
